

Dräger Connect – Registration and Log-in

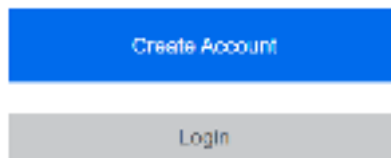

01 —————

Registration for Dräger Connect

Registration

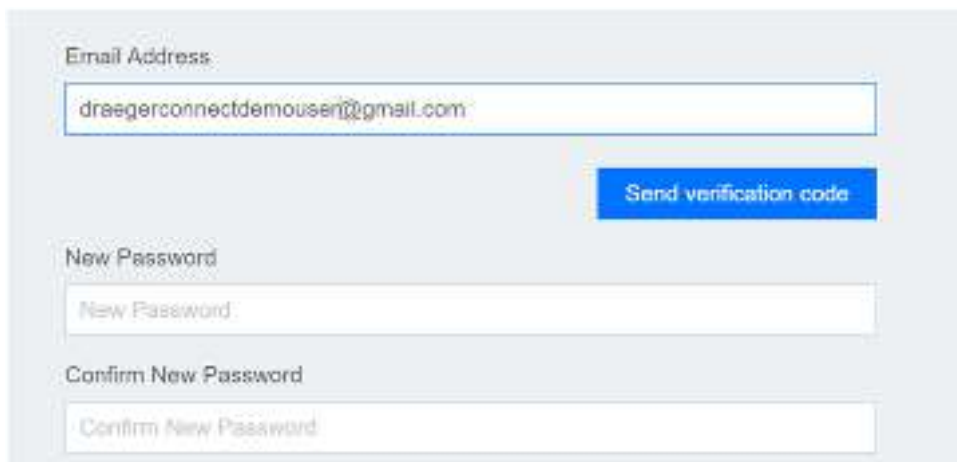

1. Click the link <https://connect.draeger.com>. A secure browser connection is required to access the portal. It is not recommended to use Internet Explorer 11 or Safari.
2. Click on "Create Account".

Welcome to Dräger Connect

3. Enter your email address.

Once entered, click the "Send Verification Code" button. The Verification Code will be sent immediately to the e-mail address you entered.

The image shows a registration form with a light blue background. It contains three input fields and one button. The first field is labeled "Email Address" and contains the text "draegerconnectdemouser@gmail.com". To the right of this field is a blue button labeled "Send verification code". Below the email field are two more fields: "New Password" and "Confirm New Password", both currently empty.

Registration

4. Enter the verification code in the field provided and confirm with the "Verify Code" button.

Verification code has been sent to your inbox. Please copy it to the input box below.

Email Address

New Password

Confirm New Password

Registration

5. Enter and confirm your password.

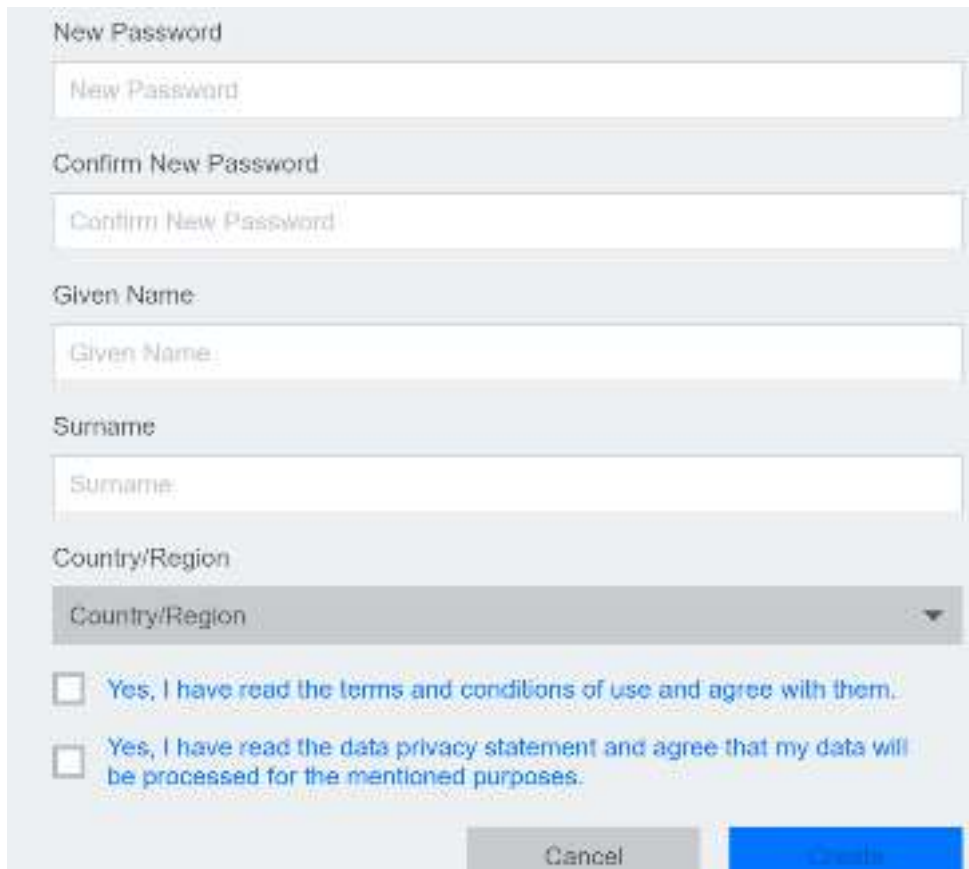

The password must meet the following requirements:

- at least one lower case letter
- at least one upper case letter
