Mr. Klaus-Michael Rück
Research & Development of PPE
Dräger Safety AG & Co. KGaA
Revalstraße 1
D-23560 Lübeck
GERMANY

Dear Mr. Rück:

The National Institute for Occupational Safety and Health (NIOSH) has reviewed your request accepted February 3, 2016. This request was for approval of the model X-plore 8000 Powered Air Purifying Respirator (PAPR) system with Dräger X-plore 8000 helmet part numbers R58325 and R59910 and combination cartridge part number 6739565, for protections against organic vapors, chlorine, hydrogen chloride, sulfur dioxide at a high efficiency filtration level, (OV/CL/HC/SD/HE), reference assembly matrix DRA204AMc.xls, dated October 28th, 2016.

Testing was successfully performed under TN-20656 and TN-20310.

This request is granted. Approval is granted only for documentation written in the English language. It is the manufacturer's responsibility to correctly translate materials desired in languages other than English. Approval number TC-23C-3146 has been assigned. This respirator is approved for protection against organic vapors, chlorine, hydrogen chloride, sulfur dioxide at a high efficiency filtration level, (OV/CL/HC/SD/HE).

The final respirator and filter/cartridge approval labels are included as attachments to this letter (reference; TN-20655, TN-20656, TN-20657, TN-20658, and TN-20659). The cautions and limitations which apply to this approval are on the approval labels. Only those assemblies affected by this request, or where new approval numbers are assigned, apply to this approval action. Production approval labels cannot include information on unapproved configurations.

The approved assemblies consist of the parts as listed on the approval labels and the assembly matrix. Parts are to be marked with the numbers indicated on the approval label in a legible and permanent manner (marking cannot be removed without evidence of its previous presence).

This certificate of approval is not an endorsement of the respirator by NIOSH, and such endorsement shall not be stated or implied in advertisements or other publicity. However, you may publicize the fact that this respirator has met the requirements of Title 42, *Code of Federal Regulations*, Part 84 (42 CFR 84).

No changes may be made to any respirators and accompanying documentation without prior written approval of NIOSH. Requests for changes must be submitted to NIOSH and a modification of this approval must be granted before changes are made.

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'D. Chirton', with a long horizontal flourish extending to the right.

David Chirton
Chief, Conformity Verification and
Standards Development Branch
