

1 Europe

Approvals

This product has been approved as an accessory for Dräger HPS Firefighter helmets according to EN 443:2008. It is compliant with EN 137 Type 2 and, thus, may be used in fire incidents.

It is approved to the European standards, guidelines, and directives specified in the declaration of conformity (see this document or www.draeger.com/product-certificates).

Approved batteries

The internal battery may only be changed by Dräger.

Marking

The device labels shown on this document are examples only. They represent the labels of the Dräger UCF FireCore. The respective classification is indicated on the device label.

This product is marked with a serial number. The serial number contains the year of manufacture in encrypted form. The year of manufacture is indicated by the third letter in the serial number: P = 2021, R = 2022, S = 2023, T = 2024, U = 2025, W = 2026, X = 2027, Y = 2028, Z = 2029, A = 2030, B = 2031 etc. (letters G, I, O, Q, V are omitted). Example: serial number ARPH-0054, the third letter is P, hence the year of manufacture is 2021.

Type label to be added
