

## 1 Europe

### Approvals

This product has been approved as an accessory for Dräger FPS 7000 fullface masks according to EN 136:1998. It is compliant with EN 137 Type 2 and, thus, may be used in fire incidents.

It is approved to the European standards, guidelines, and directives specified in the declaration of conformity (see this document or [www.draeger.com/product-certificates](http://www.draeger.com/product-certificates)).

### Approved batteries

The battery part may only be replaced by a genuine Dräger spare part (LBT 06xx).

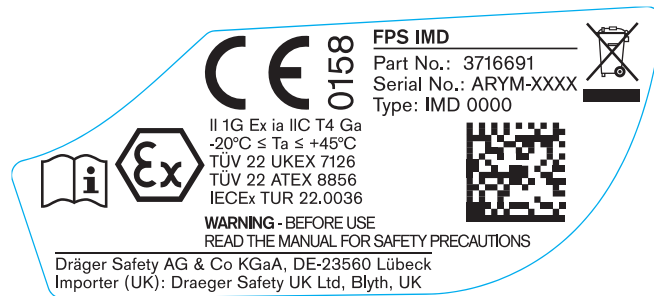

### Marking

The device labels shown on this document are examples only. They represent the labels of the Dräger FPS IMD. The respective classification is indicated on the device label.

This product is marked with a serial number. The serial number contains the year of manufacture in encrypted form. The year of manufacture is indicated by the third letter in the serial number:

P = 2021, R = 2022, S = 2023, T = 2024, U = 2025, W = 2026, X = 2027, Y = 2028, Z = 2029, A = 2030, B = 2031 etc. (letters G, I, O, Q, V are omitted). Example: serial number ARPH-0054, the third letter is P, hence the year of manufacture is 2021.
