## PreventiveCare Agreement

Specialised proactive maintenance programme.

### BASIC OVERVIEW

A proactive maintenance programme designed to ensure your equipment is kept in full working condition according to manufacturer's standards and recommendations.

#### PREVENTIVECARE BENEFITS:

- ✓ Routine maintenance visits in accordance with Dräger UK recommendations
- ✓ Routine checks and calibrations in accordance with manufacturer's test procedures
- ✓ Routinely changeable service parts and kits, as defined in manufacturer's test procedure
- ✓ Software updates, performed at the time of routine maintenance (where applicable)
- ✓ Return postage and packaging to an address within the UK mainland (only applicable to return to base option)

#### DOES NOT INCLUDE:

- ✗ Engineer call-outs, including on-site time, travel and mileage
- ✗ Repair parts

#### AVAILABLE UPGRADE OPTIONS WITH THIS AGREEMENT (NON-STANDARD):

- ▲ Replacement sensors
- ▲ Consumable items including items with defined finite life span e.g. Batteries
- ▲ Software upgrades (unless mandatory or safety related)

#### SERVICE LOCATION

This agreement is available both with 'on-site' and 'return to base' options. Please advise when booking.

*Note: Fire and Gas systems only available as on-site option.*

T&Cs apply. Contact us for further information.
