Please check here if you have special needs that may affect your participation (a representative will contact you to discuss your request).

REGISTRATION

Class space is limited and students are enrolled on a first-come, first-served basis. You may contact Dräger Customer Service at 800-437-2437, menu option 2, followed by option 1 to verify course availability. Please note the duration of each class when selecting your courses, as this will determine your length of stay. A letter of confirmation will be sent to the student via U.S. Mail, fax or email to confirm registration. Read this letter carefully. If corrections are needed, contact our Customer Service Center immediately. A valid and complete email address is required for registration. Please note that personal email addresses (Gmail, Hotmail, Yahoo, etc.) will not be considered as valid for registration. Only email addresses of the student's employer will be accepted.

TUITION

Your tuition payment covers the cost of all course materials, instruction, lunch and refreshments. Prices are subject to change without notice. All travel, expenses and hotel accommodations, including meals outside of Dräger, are the sole responsibility of each registered participant. Tuition payment MUST be provided at the time of registration.

IMPORTANT: CANCELLATIONS

Cancellations received, in writing, 15 business days prior to the course will not be billed for the course. A fee of 50% of the total tuition will be charged for cancellations received less than 15 business days of the scheduled course date. Please note that if you do not cancel in writing and do not attend, you are still responsible for payment. Dräger reserves the right to cancel or change the course dates due to low enrollment or other unforeseen circumstances. If Dräger cancels a course, you will be provided with a minimum of 15 business days' notice and the full tuition will be refunded or applied toward any future course. Cancelled students will be placed on a priority list for the next available course. Dräger assumes no liability for non-refundable travel expenses in the event of a course cancellation.

Course instruction will provide the student with proprietary information of Dräger products. This information shall not be reproduced, distributed, used or disclosed in whole or in part unless otherwise authorized by Dräger in writing.
